

## **Secondary Ed. Report**

This has been a learning year for me, as I really didn't know what was expected with this position. Thanks to the guidance of Adam Jenkins and Anna Wright I am getting a better idea of what I am supposed to be doing. There will be a brief survey for Secondary Ed. members to fill out regarding the spring workshop, please take the time to fill this out as I value your input. Speaking of input, I would also be interested in your input for secondary presentations for next year's convention. Please let me know what you would like to see, and if you would be willing to be a presenter. We are always looking for new presenters.
